### RULES & GAMEPLAY

826 Boston is a non-profit organization dedicated to supporting students ages 6 to 18 with their creative and expository writing skills, and to helping teachers inspire their students to write. Our services are structured around the understanding that great leaps in learning can happen with one-on-one attention, and that strong writing skills are fundamental to future success. With this in mind, we provide drop-in tutoring, after-school workshops, in-schools tutoring, help for English language learners, and assistance with student publications. All of our programs are challenging and enjoyable, and ultimately strengthen each student's power to express ideas effectively, creatively, confidently, and in his or her individual voice.
